

911

Dakar JNR

Key Facts

PTS

Make it yours with any Porsche colour you want!

50mph

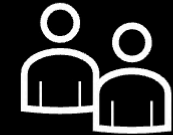

It's Quick!

Can reach speeds of 35mph (which can be restricted)

100+ Hours

It takes over 100 hours to hand craft the 911 JNR

Built For 2

The 2 seat configuration allows sharing.

All cars are built to order in your choice of body and interior trim combinations,
Hand made in the United Kingdom.

Mechanical

The Dakar Junior is powered by a 15hp 400cc engine, capable of driving this 'off-road' replica at speeds of up to 50mph – though the speed can be restricted if desired. Rack-and-pinion steering and Brembo hydraulic brakes bring the car to a stop. Paired with independent wishbone suspension, coil-over shock absorbers, as well as 12-inch wheels. The junior car drives like a full size vehicle, simply scaled down. Increased 5' ground clearance and uprated shocks ensures a smooth drive over any terrain.

Interior

Accompanying the vibrant paintwork, the cockpit features two mini bucket seats, Upholstered in Connolly leather and customisable cloth. Leather Moto Lita steering wheel accompanied by dashboard and instrument cluster, Choose from over 50 interior trim packages. Or to match your full size car.

293 Rothmans
PORSCHE
DUNLOP

Exterior

This specific example is finished in the legendary 'Rothmans' livery. Hand painted two tone paint, accompanied by the obligatory mud flaps, off-road tyres and seat belts!

Personalisation

Like any true Porsche, the purchase of a 911 Junior means an abundance of personalisation options. When it comes to choosing the specification, You will be able to choose from over 150 combinations across the Dakar model, with a range of additional extras and accessories that can be selected to create the junior car.

Dakar JNR

The Dakar junior is a variation of our existing 911 model. Brought out in conjunction with the 40th anniversary of the legendary win at Dakar - Paris.
